Religious.

This week has been selected as a special week of prayer for all the Young Men's Christian Associations of the country.

Thirty-two persons joined the Maxwell Presbyterian church at Lexington, Sunday under the preaching of "Uncle" Joe Hopper.

An Eastern paper proposes that Andrew Carnegie use his wealth to double the salaries of pastors in this country, the average salary being \$400.

Elder Lloyd Darsie was summoned to Chautauqua, New York, Saturday, by a telegram, announcing the death of his mother. He left on the afternoon train for that place.

Miss Mary Williams, of Tennessee, a teacher in the Millersburg Female College, conducted the Epworth League meeting at the Methodist church, in this city, last Sunday night.

Rev. B. B. Bailey, of Winchester, is preaching a series of powerful sermons at the Baptist church, and large crowds are in attendance at the meetings. The services will continue during the week, and until further notice. The public is cordially invited to attend.

The Lexington Leader says: "Uncle" Joe Hopper, the famous evangelist, whose reputation is almost continent wide as a pulpit speaker and revivalist, is meeting with success in his meetings at the Maxwell Presbyterian church. He is one of the most lovable of men, and his enthusiasm for the cause in which he has enlisted the energies of his life is one of the impressive features of the meeting. He is an impressive speaker, a strong thinker and a man of unusual resource and power. His work in Lexington has borne rich fruit and influence on the unconverted will abide.

The meeting at the Christian church in this city, continues with unabated interest. The church is filled to its capacity at each meeting and the preaching by Rev. Mr. Jenkins, is listened to with a great deal of interest. On Sunday, there were fourteen additions to the church, among whom was Squire John W. Thomas, who is 80 years of age. Among the others who united with the church, were John W. McIlvain, W. H. Hall, Douglas Boone, Herbert Berry, Mrs. Bettie Kate Hall, Misses Lizzie and Sophia Moore, Mr. and Mrs. Tackett, Mr. and Mrs. Lee Beall, Miss Arnold and Miss Payne.

Ready About December First.

A huge holiday bazaar and grand Christmas carnival opening about December first.

Sensible far seeing people begin their Christmas shopping early so as to avoid the great crowds and secure the first pick of the holiday goods. It's hard to get just what you want when the stores are thronged with eager buyers, and harder still for any store to satisfy the exacting demands made upon it. We therefore recommend early purchases as likely to be most satisfactory from every point of view.

A New Road From Lexington to Paris.

The Lexington Democrat says: "Work will in all likelihood begin at once upon an interurban road to Paris from this city. It is said that the same men are behind the movement that are now building the road to Georgetown. The company building the road is the Tennis Construction Company. This company also has contracts to connect Versailles and Lexington by electric line, but no decision as to when this road will be started has been made, although it is understood that it will be in the near future. The company back of the building of the roads to Georgetown, Paris and Versailles, is a different one from the \$7,000,000 company recently incorporated here. It is said that the company which was first in the field, although not organized upon so grand a plan as the recent company, will be made to sell out to the big concern. It begins to look as if the smaller company will have three roads in operation before the other company gets started good."
